FALL 2023 TH LAB MEN AND WOMENSWEAR COLLECTION

AMERICAN RECREATION

American Recreation, the Fall 2023 TH Lab Men and Womenswear collection, provides a modern vision of style for the great outdoors. Inspired in equal parts by woodsy New England escapes and Tommy Hilfiger's own '90s looks, the collection takes a modern look at heritage styles and archival silhouettes. Sustainable innovation folds neatly into the collection, in recycled materials, sustainable filling for our puffer jackets and the use of REPPEVE® Our Ocean™, a premium collection of fiber and resin sourced from bottles at high risk of entering the ocean. Outerwear takes center stage, with our New York puffer jacket in a variety of materials and patterns, rich leather and shearling jackets, and modern updates of the peacoat. Tommy signatures such as the tartan, the global stripe and the TH Monogram are found throughout, in expanded sizes and set against the season's standout color, cerulean blue. Fabric innovations and texture plays abound, from touchable brushed wool and alpaca blended knits to denim, reimaged with velvet flocking or a needle punch effect. In short, iconic preppy styles shaken up and revived for today's audience.
