WELCOME TO TOMMY FACTORY THE MAKING OF A FASHION SHOW

A homecoming to our creative heart, this Fall 2022 we pay tribute to Andy Warhol's iconic NYC factory, where he brought together fashion, art, music and entertainment.

From our new TH Monogram designed in partnership with Fergus Purcell to our boundary-breaking collaboration with British designer, Richard Quinn, this Fall we're colliding the classic with the new to light up what's next. Remixing traditional Americana codes with a contemporary, streetwear-inspired twist. Clashing bold pop colors, reimagining proportions and restyling heritage classics in unexpected ways.

This is modern prep, for all. An inclusive celebration of pop culture and creativity, across all worlds from IRL to URL – this is Tommy Factory.

A handwritten signature in black ink that reads "Tommy Hilfiger". The signature is fluid and cursive, with a long, sweeping underline that extends to the left.
